THE AUBERGE BRANDED RESIDENCES
IN PUNTA DE MITA.

Located within Susurros del Corazón, Auberge Resorts Collection, this ground-floor residence redefines oceanfront living through contemporary Mexican architecture that seamlessly integrates the lush tropical jungle with the Pacific.

From the moment you arrive, the space invites you to unwind. Expansive covered and open-air terraces extend into a private garden, where an oversized pool and jacuzzi create an intimate setting to embrace the slower rhythm of the coast. Views unfold toward dramatic rocky headlands and the vast expanse of Banderas Bay, with the silhouette of Puerto Vallarta and the Sierra Madre mountains as a striking backdrop.

Featuring three bedrooms and three and a half bathrooms, the residence offers a versatile layout designed for both privacy and connection. The lock-off suite, with its own private entrance, provides a fully independent experience for guests or rental flexibility, while the main living area integrates a spacious living room, dining area, terrace, gourmet kitchen with scullery, and two additional bedrooms, including an expansive primary suite.

The primary bedroom becomes a private retreat, with direct access to the pool and jacuzzi—an ideal setting to begin the day with soft mountain light or unwind in the evening with the distant glow of the bay.

Every detail has been thoughtfully considered to deliver effortless comfort. As a resident of Susurros del Corazón, you benefit from Auberge’s renowned service, with world-class amenities always within reach—whether just steps away or a simple call or message.

Urraca 2 is more than a residence—it’s a way of living the coast, where privacy, design, and service exist in perfect balance.
