CONDO

HACIENDA DE MITA • PUNTA MITA

Hacienda de Mita integrates modern, functional design with a traditional Mexican architecture. Easy elevator access with only 2 units per floor. Walking distance to the quaint fishing village.

The contrast of the ocean blues and sky with the sleek, white interiors make for a stunning apartment with one of the best locations in Hacienda de Mita. Situated on the 3rd floor of building 5, this apartment is open to the village of Punta Mita and the mountains beyond on one side and the ocean ahead. Uniquely, steps away from a private beach club and glistening community pool that only this development features.

Inside furnishings are clean-lined with splashes of bright and cheerful Mexican color. The oversized ocean view terrace opens up to a picture perfect natural outdoor color, sandy beaches, vibrant local restaurants walking distance from the property, anchored yachts and passing motorboats. There is always something to watch and enjoy outside and plenty of open airy space inside to create tropical memories in with your loved ones.
